High Performing Electronic Bench Scale

The HSW compact bench weighing scale is a high-performing electronic scale with a multifunction weighing program. The large backlit display with 30 mm digits makes it easy to read the weight even in low light conditions. Its compact dimensions and built-in long battery life make it ideal for weighing in any location where main power is not available.

Functions

- Zeroing
- Semiautomatic tare
- Automatic tare
- Weight totalisation
- Animal weighing
- Counting
