TPWN "EASY" Pallet Truck Scale

As of: Thursday, January 15, 2026

Standard Features

The only pallet truck with high precision and made-in-Italy-quality features, powered by AA batteries. Manufactured, calibrated and adjusted in Italy by Dini Argeo, with the use of certified sample weights.

Weighing features

- Maximum lifting capacity: 1.000/2.000 kg
- Resolution: 0,5/1 kg
- Accuracy (weighing of goods on Euro pallets with distributed load): +/- 1 kg

WHY CHOOSE TPWN-EASY DINI ARGEO

- It is the lightest on the market, while maintaining a robust and rigid structure to weigh accurately.
- The only one without junction box, with adjustment of each load cell from the display.
- 4 Dini Argeo approved steel load cells, with IP67 protection rating.
- The large 25 mm shockproof LCD display makes it easier to read.
- Backlighting with automatic switch-off, adjustable from the keyboard to adapt to any working conditions.
- Waterproof keyboard for industrial use. **Protective cover as standard**, for protection against water splashes.
- Power supply via AA batteries with 40h autonomy for use on trucks.
- Programmable automatic switch-off, which extends the working autonomy.
- Each pallet truck is tested and supplied with the corresponding certificate to guarantee the declared accuracy.

AVAILABLE FOR IMMEDIATE DELIVERY

- Fast delivery with products always in stock.
- The protective packaging on pallets guarantees optimal protection of the product and is composed of entirely recyclable materials.

TPWN EASY Pallet Truck Scale Specification

Technical Features

- Low profile forks, only 85 mm.
- Fork dimensions: 1150 x 550 x 85 mm
